**Instructions:**

The Team Discount Application form must be received by Total Performance before receiving the per-camper discounts. Additionally, every team member on the application must be registered in order to receive the per-camper discounts. Each team member should register on-line and pay the \$250 deposit only. Once all members of the team have registered, the Total Performance office will apply the per-camper discounts to the balance payments before processing credit cards. If any team member wants to pay by check, please call Anne Rueppel, Camp Administrator, for the payment procedures. Team members do not have to attend the same swim camp to qualify for the discount – ANY Total Performance swim camp counts towards the team discount. Please contact Anne in advance of submitting the Team Discount Application so she can assist you with the process.

**Terms and Conditions:**

No camp spots will be reserved for team members. All of our camp spots are first-come-first-serve based on the date and time of registration. Once a camp is sold out, we cannot make exceptions for team members, so please encourage team members to register promptly so no one is left out. If any team members cancel their spots at any point and their total team number drops from 10+ registrants to 9 or fewer, Total Performance will decrease the per-camper discount from \$50 to \$35 to reflect the change in total team numbers. A coach's signature is required to verify that all team members on the application are from the same team.
